Third Sunday of Easter

Christ Church Cathedral welcomes people of every race, gender, gender identity, sexual physical and mental ability, national origin, and economic station—none of which may limit full participation in the life of our community.

Come worship with us! Starting May 2, Christ Church Cathedral will offer four in-person Sunday worship opportunities. Our traditional 8 am, 10 am, and 1 pm services will be held indoors, and a new 4 pm bilingual service will be held outdoors on our lawn. Advanced registration will be required for all services, and staggered arrival times for the indoor services will be implemented to reduce congestion at the entryway.

We'll welcome The Rev. Dr. Tim Shapiro to the Christ Church Cathedral pulpit this Sunday. Dr. Shapiro is the Executive Director of the Center for Congregations, an Indianapolis-based resource for communities of faith that offers consulting, grants, and connectivity to resources for growth and flourishing. An ordained elder in the Presbyterian Church USA, Tim's interest in how congregations learn to do new things is represented in his book *How Your Congregation Learns*.

Today! Vestry Check-In at 11:30AM -12:30PM As part of our leadership's renewed commitment to transparency and collaboration, we invite you to join our Vestry for a quarterly bilingual update. We'll share highlights of our work together over the past three months and make plenty of time for your questions, comments, and feedback.
